I-400 - Incident Command Systems Training I-400 is designed to enable personnel to operate efficiently in the advanced application of the Incident Command System (ICS). The course deals with the command and general staff functions during complex incidents, the implementation of the incident management process on a complex incident and the management and coordination process during multiple incidents. ICS-400: Fundamentals Review for Command and General Staff This course can be used as a pre-course module or as remedial training for the classroom version of ICS-400; this course alone does not meet the training requirements for ICS-400. Estimated completion time: four hours.
